## Telindus Luxembourg: winner of the EuroCloud Luxembourg Awards in the Best Case Study Example of Cloud Services for the Private Sector category

**Luxembourg, May 26<sup>th</sup> 2011** – Telindus Luxembourg is proud to announce that it has been honoured by EuroCloud Luxembourg with the “EuroCloud Luxembourg Awards” which recognizes the best Cloud Computing customer reference in the Private Sector. ING Life Luxembourg operates an “all-in-one” Cloud solution from Telindus for its business applications as well as their communication needs.

The ceremony took place at the Neumünster Abbey in Luxembourg, under the patronage of François Biltgen, Minister for Communications, at the Golden-i Awards & Gala event on May 19<sup>th</sup> 2011.

The “EuroCloud Luxembourg Awards” is a unique opportunity to help increase the visibility of innovative companies in the field of Cloud computing and SaaS and to help set up a marketplace for Cloud computing and SaaS applications in Luxembourg. Winners of the “EuroCloud Luxembourg Awards” will also be considered automatically for the “EuroCloud European Awards 2011” alongside competitors from other European countries. Winners of the local award programs will be presented at the “European EuroCloud Congress” on June 27<sup>th</sup>/28<sup>th</sup> 2011 in Luxembourg.

EuroCloud Luxembourg, the association of the Luxembourg Cloud computing and SaaS industry and member of the pan-European EuroCloud network, launched its first edition of the “EuroCloud Luxembourg Awards in 2011” with four categories: “Best case study in the private sector”, “Best case study in the public sector”, “Best Cloud offering” and “Best start-up”. The “Best Case Study of Cloud Services for the Private Sector”, awarded to Telindus Luxembourg, distinguishes companies whose underlying business approach fosters a broad and comprehensive use of Cloud services in that sector. Telindus Luxembourg won thanks to the attractiveness of the offered services, the achievable benefits and competitive advantage for the customer, as well as new and pioneering marketing and sales concepts.

Jean-François Mairlot,  
Cloud Strategy Leader

Gérard Hoffmann, Chairman & Managing Director of Telindus Luxembourg says: “We are very proud because this award distinguishes not only our innovative Cloud strategy, but also the success story with ING Life Luxembourg, our common effort and our reliable relationship. The most important thing for us is to anticipate our customers’ requirements and hence to simplify their ICT environment by offering a whole range of managed solutions, regarding our any<sup>3</sup> paradigm: anywhere, anyhow, anytime.”

“ICT Company of the Year in 2010, EuroCloud Luxembourg Award in 2011, under our new brand Telindus Telecom, we ambition to be the most innovative telecommunication operator for the professional market with the first converged IT and telecom solution! I would like to thank, together with the whole Telindus team, all of our customers who make this vision come true” he concludes.

Gérard Hoffmann,  
Chairman & Managing Director
