

Telindus CyberSecurity Incident Response Team

Telindus-CSIRT

Vulnerability notification form

Telindus-CSIRT is the response entity for the computer incidents related to the Autonomous System Number (ASN) AS56665.

To notify a vulnerability in either software or hardware products, please complete as detailed as possible this form with enough information for allowing Telindus-CSIRT and the Vendor to analyse it, understand it and reproduce it and send it to <csirt (a) telindus lu> preferably PGP/GPG encrypted (PGP KeyID 6E2EA9F8).

Telindus-CSIRT hours of operation are restricted to regular business hours: 09h00-17h00 CET from Monday to Friday except during Luxembourg's public holidays.

Outside of these hours and in case of emergency, the <telecomsd (at) telindus (dot) lu> email address, mainly dedicated to operational problems, can be contacted.

All reported information will be treated confidentially according to our policies (please refer to our rfc2350 available at <http://www.telindus.lu/en/csirt>).
